At Jaguar, our designers are part of the same team that design our cars. They share inspiration. They delve into the history of the brand. And they weave the thread of our heritage and passion into everything they create. It’s a 360° approach. And it’s why everything that carries the Jaguar badge also carries the Jaguar spirit.

Welcome to the complete 2018 collection.

“I think the basic principles of good design apply to both vehicles and apparel equally. Great proportions, lines and detailing make for well designed cars, watches and jackets. Great design is great design, regardless of what product it is applied to.”

Wayne Burgess, Studio Director, Production & SVO Vehicles
The Jaguar Lightweight E-type racer. Born in 1963, it was a car destined to become immortal, winning 12 Hours of Sebring – a gruelling endurance race held on a Florida racetrack. Decorated with bold red and blue stripes, the number 23 crossed the finish line first and drove straight into the imagination of Jaguar lovers everywhere.
This limited edition range of luxury clothing takes inspiration from the classic racing stripes which gave the car its unmistakable look. The understated vintage design features embroidered branding details and our unique E-type crest. It’s a collection that’s pure Jaguar.
MEN’S HERITAGE BOMBER JACKET

E-type inspired Bomber Jacket. Lightly padded in soft-handle fabric. Features classic race stripe detailing and E-type crest. 23 victory roundel to arm. Imported.

Please note some products featured in this brochure are unavailable in certain markets.

Please contact your Jaguar Land Rover Dealer for more information on the available range for your market.

Jaguar Land Rover is constantly seeking ways to improve the specification, design and production of its products and alterations take place continually. While every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications. The colors reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual product.
